

psychology

Each video clip in the *INTELECOM Online Resources Network*® takes a focused look at a specific academic topic – engaging students and enhancing the learning experience.

Total Clips: 336

Topic	Title of Segment
Adolescent Years, The	Adolescent Conflict with Parents
Adolescent Years, The	Adolescent Risk Taking
Adolescent Years, The	Adolescent Social Development
Adolescent Years, The	Physical Development During Adolescence
Adulthood	Mark of an Adult, The
Aging Adult, The	Aging and Cognitive Changes
Aging Adult, The	Developmental Tasks of the Elder Years
Aging Adult, The	Impending Death
Aging Adult, The	Myths and Realities of the Aging Adult, The
Behavioral Genetics	Evolutionary Psychology and Adaptation
Behavioral Genetics	Evolutionary Psychology and Sexual Attitudes
Behavioral Genetics	Gene-Environment Interaction
Behavioral Genetics	Genes... Our Biological Blueprint
Behavioral Genetics	Molecular Geneticists Search for Specific Genes that Influence Behavior
Behavioral Genetics	Studies of Twins Separated at Birth
Behavioral Genetics	Temperament Studies
Brain, The	Brain Injuries
Brain, The	Brain Specialization: What It Involves and Does Not Involve
Brain, The	Control Center, The
Brain, The	Influence of Neurotransmitters, The
Brain, The	Lower Level Brain Structures
Brain, The	Neural Communication
Brain, The	Splitting the Brain
Brain, The	Tools of Discovery
Consciousness	Circadian Rhythms
Consciousness	Consciousness
Consciousness	Discounted Theories of Consciousness
Consciousness	Functions of Sleep
Consciousness	Levels of Consciousness
Consciousness	REM Sleep
Consciousness	Stages of Sleep
Consciousness	What is Consciousness

Consciousness	World of Dreams, The
Culture and Identity	Identity and Culture
Dating and Mate Selection	Finding a Potential Partner
Dating and Mate Selection	Impact of Values on Mate Selection, The
Dating and Mate Selection	Qualities of Relationships That Stand the Test of Time
Development: Adolescence to Older Adulthood	Development: from Womb to Tomb
Diversity and Development	Differences that Define and Separate People
Diversity and Development	Gender and Racial Divide, The
Diversity and Development	Mitigating the Distrust Associated with Prejudice
Emotion	Anger, a Basic Emotion
Emotion	Culture and Emotion
Emotion	Forgiveness
Emotion	Gender and Emotion
Emotion	Predicting the Intensity of Emotional Reactions
Emotion	Relationship Between Thinking and Emotion, The
Emotion	Research Related to Happiness Expands
Emotion	What is Emotion?
Emotion	What Makes Emotions Distinctive?
Emotions	Basic Human Emotions
Emotions	Dangerous Intent
Emotions	Darwin and Psychology
Emotions	Deception
Emotions	Embarrassment
Emotions	Emotion and Cognition
Emotions	Emotional Profiles
Emotions	Emotions and Physical Reactions
Emotions	Emotions and Quality of Life
Emotions	Emotions, Gender and Age
Emotions	Face Of An Assassin
Emotions	Facial Action Coding System, The
Emotions	Microexpressions
Emotions	Organizing Emotions
Emotions	Positive and Negative Emotions
Emotions	Regulating Our Emotions
Emotions	What Are Emotions?
Emotions	When Emotions Emerge
Environmental Influences on Behavior	Cultural Influences on Development
Environmental Influences on Behavior	How Child-Rearing Patterns Differs in Individualist and Collectivist Cultures
Environmental Influences on Behavior	How Influential is the Shared Family Environment?
Environmental Influences on Behavior	Importance of Peer Influence on Development
Environmental Influences on Behavior	Influence of Culture on Latino Relationships
Environmental Influences on Behavior	Prenatal Environment, The
Environmental Influences on Behavior	TRIOS – African American Cultural Patterns

Family Violence	Incidence of Intimate Partner Violence in the U. S., The
Family Violence	Violence Prevention Programs at Work
Gender	Psychology of Gender, The (Part One)
Gender	Psychology of Gender, The (Part Two)
Intelligence	Environmental and Genetic Influences on Intelligence
Intelligence	Multiple Intelligences
Intelligence	Standardized Tests... "What Do They Really Measure?"
Intelligence	Triarchic Theory of Intelligence
Intelligence	What is Intelligence?
Interpersonal Violence and Abuse	Destructive Language
Interpersonal Violence and Abuse	Environmental and Genetic Links to Violent Behavior
Interpersonal Violence and Abuse	Epidemic of Violence
Interpersonal Violence and Abuse	Individual Efforts to Stop Violence
Interpersonal Violence and Abuse	Negative View of Women
Interpersonal Violence and Abuse	Risk Factors for Violence: Guns and Drugs
Interpersonal Violence and Abuse	Treating the Epidemic of Violence
Interpersonal Violence and Abuse	Unhealthy Family Environment
Interpersonal Violence and Abuse	Violence Spreading from Poor to Affluent Neighborhoods
Language	Child's Remarkable Ability to Acquire Language, A
Language	Language: Its Complexity and Essence
Learning	Applying Classical Conditioning to the Human Experience
Learning	Food Aversion Conditioning Research of John Garcia, The
Learning	Mass Media as a Source of Observational Learning
Learning	Observational Learning: The Research of Albert Bandura
Learning	Operant Conditioning Techniques Help Victims of Brain Injuries
Learning	The Cerebral Cortex, a Learning Machine
Learning	The Persistence of Snake Fear
Learning	Use of Reinforcement and Punishment in Shaping a Child's Behavior, The
Linguistics	Can Language Deprivation Be Made Up?
Linguistics	Diversity of Language
Linguistics	Emergence of Language, The
Linguistics	Language and Human Nature
Linguistics	Language and the Mind
Linguistics	Language and Thought Through Time
Linguistics	Neurophysiology of Language, The
Love	Definitions of Love
Love	Early Stages of Love
Love	Love in Historical Context
Love	Love That Endures
Love	Making Love Last
Love	Obstacles to Love
Love	Theories About Love
Memory	Advising Therapists

Memory	Age and Susceptibility to Memory Distortion
Memory	Encoding: Getting Information In
Memory	Ethical Dilemmas and Research Studies
Memory	False Memories (Part One)
Memory	False Memories (Part Two)
Memory	False Memory Research
Memory	Forgetting
Memory	Memory and Videotape Recorders
Memory	Memory Contamination (Part One)
Memory	Memory Contamination (Part Two)
Memory	Memory Distortion
Memory	Memory Phenomenon, The
Memory	Multistore Model of Memory, The
Memory	Neuroimaging
Memory	Other Brain Structures Involved in the Memory Game
Memory	Post-Event Suggestion
Memory	Prestige Enhancing Memory Distortions
Memory	Pros and Cons of Recalling Repressed Memories
Memory	Proving That The Mind is Malleable
Memory	Ramona Family Case, The
Memory	Remembering Significant Events
Memory	Repressed Memories
Memory	Storage: Retaining Information
Memory	Suggestive Techniques
Memory	Traumatic Amnesia and Massive Repression (Part 5)
Memory	Traumatic Amnesia and Massive Repression (Part Four)
Memory	Traumatic Amnesia and Massive Repression (Part One)
Memory	Traumatic Amnesia and Massive Repression (Part Three)
Memory	Traumatic Amnesia and Massive Repression (Part Two)
Memory	When A Study Ends
Moods and Emotions	Exuberance
Moods and Emotions	Exuberance and Happiness
Moods and Emotions	Exuberance and Intellectual Curiosity
Motivation	Appetite vs. Reasons
Motivation	Eating Behaviors and Disorders
Motivation	Finding Motivation from Within
Motivation	Motivating Workers
Motivation	Sex Motivation
Motivation	Sexual Orientation
Motivation	The Need to Belong
Parents and Children	Gay and Lesbian Parenting
Parents and Children	Parental Influence on Children
Parents and Children	Parenting and Adolescence

Perception	Change Blindness
Perception	Form Clues: Grouping and Closure
Perception	Perceiving Distance, Depth and Motion
Perception	Perceiving Three-Dimensional Figures: Binocular Depth Cues
Perception	Perceptual Constancy
Perception	Relationship Between Sensation and Perception, The
Perception	Selective Attention Research
Personality	Exploring the Self
Personality	Genetic Links to Personality
Personality	Humanistic Perspective, The
Personality	Personality Inventories
Personality	Personality Traits... The Big Five
Personality	Self Esteem
Personality	Social-Cognitive Perspective, The
Prejudice	Abraham Lincoln and the Truth About Prejudice
Prejudice	Acquisition of Biases, The
Prejudice	Combating Prejudice
Prejudice	Hopes For The Future
Prejudice	Implicit Association Test Website, The
Prejudice	Prejudice and the Human Brain (Part One)
Prejudice	Prejudice and the Human Brain (Part Three)
Prejudice	Prejudice and the Human Brain (Part Two)
Prejudice	Prejudice: The Eye of the Beholder
Prejudice	Psychology of Prejudice, The (Part One)
Prejudice	Psychology of Prejudice, The (Part Three)
Prejudice	Psychology of Prejudice, The (Part Two)
Prenatal, Infancy, and Childhood Development	Brain Development in Infancy
Prenatal, Infancy, and Childhood Development	Developing a Sense of Self
Prenatal, Infancy, and Childhood Development	Do Babies Have a Sense of Numbers?
Prenatal, Infancy, and Childhood Development	Does Daycare Impair Attachment?
Prenatal, Infancy, and Childhood Development	Early Motor Development
Prenatal, Infancy, and Childhood Development	Piaget's Concrete Operational Stage Revisited
Prenatal, Infancy, and Childhood Development	Social Development and Attachment
Psychiatric Illnesses	Bipolar Illness and Depression
Psychiatric Illnesses	Bipolar Illness or Manic-Depressive Illness?
Psychiatric Illnesses	Decision To Stop Treating Patients, The
Psychiatric Illnesses	Early Therapy
Psychiatric Illnesses	Family Reaction to Manic-Depressive Illness
Psychiatric Illnesses	Genetic and Bipolar Illness
Psychiatric Illnesses	Helping Those In Need
Psychiatric Illnesses	Helping Someone Who's Suicidal
Psychiatric Illnesses	Looking At The Family Tree
Psychiatric Illnesses	Mania and Medical Emergencies

Psychiatric Illnesses	Manic Depressive Experiences in College and Beyond
Psychiatric Illnesses	Onset of manic-depressive Illness
Psychiatric Illnesses	Progress in Neuroscience
Psychiatric Illnesses	Psychiatric Illnesses and Creative People
Psychiatric Illnesses	Psychiatric Medications
Psychiatric Illnesses	Response From Family
Psychiatric Illnesses	Seductiveness of Mania, The
Psychiatric Illnesses	Social and Interpersonal Implications of Psychiatric Illnesses
Psychiatric Illnesses	Society's Response to Suicide
Psychiatric Illnesses	Staying On Medication
Psychiatric Illnesses	Suicide
Psychiatric Illnesses	Suicide and Psychiatric Disorders
Psychiatric Illnesses	Support From Colleagues
Psychiatric Illnesses	Untreated Manic-Depressive Illness
Psychological Disorders	Anxiety Disorders
Psychological Disorders	Bipolar Disorder
Psychological Disorders	Cognitive Factors and Mood Disorders
Psychological Disorders	Creating Treatments That Work
Psychological Disorders	Depression, the World's Leading Cause of Disability
Psychological Disorders	Emotionless Schizoid Disorder
Psychological Disorders	Experiencing Psychological Disorders
Psychological Disorders	Genetic Links to Mood Disorders
Psychological Disorders	Labeling Psychological Disorders
Psychological Disorders	Obsessive Compulsive Disorder
Psychological Disorders	Panic Attacks
Psychological Disorders	Personality Disorders
Psychological Disorders	Phobias
Psychological Disorders	Posttraumatic Stress Disorder
Psychological Disorders	Prenatal Factors and Schizophrenia
Psychological Disorders	Researching the Causes of Schizophrenia
Psychological Disorders	Schizophrenia
Psychological Disorders	Suicide Risk
Psychological Disorders	Support for Families of the Mentally Ill
Psychological Disorders	Symptoms of Depression
Psychological Health	Bulimia and Anorexia Nervosa: Beginnings
Psychological Health	Bulimia and Anorexia Nervosa: Charting New Directions
Psychological Health	Bulimia and Anorexia Nervosa: Successful Treatment Programs
Psychological Health	How Are You Feeling?
Psychological Health	Insurance Limitations Hamper Effective Treatment of Depression
Psychological Health	Lifetime Battle Against Depression, A
Psychological Health	Onset of Mood Disorders, The
Psychological Health	Panic Attacks and Eating Disorders
Psychological Health	Psychiatric Treatment and the Future

Psychological Health	Thought Disorder Schizophrenia, The
Psychological Research	Ethics and Research
Psychological Research	Future of Psychological Research, The
Psychological Research	Measuring Correlations to Find Relationships
Psychological Research	Performing Experiments
Psychological Research	Research in Immersive Virtual Environments
Psychological Research	Scientific Method, The
Psychological Research	Use of Animals in Psychological Research
Psychology	Adversarial Collaboration
Psychology	Counterfactual Thinking
Psychology	Decisions and Uncertainty
Psychology	Entitlement and Fairness
Psychology	Framing
Psychology	Heuristic Model: Anchoring, The
Psychology	Heuristic Model: Availability, The
Psychology	Heuristic Model: Representativeness, The
Psychology	History of Psychology, The
Psychology	Introduction of Scientific Tools and Approaches
Psychology	Intuition and Perception
Psychology	Market Experiments
Psychology	Mental Accounting
Psychology	Probability and Stereotypes
Psychology	Psychology of Prediction, The
Psychology	Psychology of Single Questions, The
Psychology	Shades of Gray
Psychology	Studying People in Context
Psychology	Well-Being
Sensation	Connecting Despite the Loss of Sight or Hearing
Sensation	Does the Brain Record Sensations Without Our Conscious Awareness?
Sensation	Features Detected by Individual Neurons
Sensation	Role of the Thalamus, The
Sensation	Sensing the World: The Absolute Threshold
Sensation	Sensing the World: The Difference Threshold
Sensation	Sensory Signals: Destination Cortex
Sensation	World of Sensory Stimuli, A
Social Psychology	Biological Precursors to Violence and Aggression
Social Psychology	Breeding Grounds for Violence
Social Psychology	Conformity
Social Psychology	Epidemic of Media Violence
Social Psychology	Group Interaction: Group Think
Social Psychology	How Attitudes Can Affect Our Judgment
Social Psychology	Importance of Group Membership
Social Psychology	Participation in Group Activities vs. Social Loafing

Social Psychology	Relations Characterized by Altruism and Conciliation
Social Psychology	Social Psychology, A Brief Snapshot
Social Psychology	What Is Social Psychology?
Social Psychology	Why Do People Do What They Do?
Socialization	Peer Groups and Adolescence
Sociological Research; Psychological Research	Blended Methods for Studying the Family
Sociological Research; Psychological Research	Family Therapy and Research Methodology
Sociological Research; Psychological Research	Macro-Level Perspectives on the Family
Sociological Research; Psychological Research	Micro-Level Perspectives on the Family
Sociological Research; Psychological Research	Objectivity and Other Challenges in Research and Therapy
Sociological Research; Psychological Research	Qualitative vs. Quantitative Research
Stress and Health	Blending Psychosocial Support with Critical Care
Stress and Health	Cognitive Buffers Against Stress
Stress and Health	Diverse Reactions to Stressful Situations
Stress and Health	Finding Resilience
Stress and Health	Just Say No... to Smoking?!!
Stress and Health	Physiology of Stress, The
Stress and Health	Promoting Healthy Behaviors
Stress and Health	Social Support and Emotional Correlates with Health
Stress and Health	Stress and Susceptibility to Disease
Stress and Health	Stressful Test, A
Stress and Its Management	Aftermath of a Shooting
Stress and Its Management	Developing Positive Stress Response Techniques
Stress and Its Management	How Traumatic Events Change the Lives of Survivors
Stress and Its Management	Memories of Traumatic Events
Stress and Its Management	People Who Respond Positively to Stress
Stress and Its Management	Physical and Behavioral Reactions to Stress
Stress and Its Management	Stress... A Necessary Part of Life
Stress and Its Management	Under Attack: Critical Incident Stress
Therapy	Behavior Therapy
Therapy	Biomedical Therapies
Therapy	Choosing a Therapist
Therapy	Cognitive-Behavior Therapy
Therapy	Does Psychotherapy Really Work?
Therapy	Group and Family Therapies
Therapy	Humanistic Therapy
Therapy	Optimal Approach to Psychotherapy with Biomedical Therapy, The
Therapy	Psychoanalysis
Therapy	Psychodynamic Approach, The
Therapy	Psychological Therapy: Then and Now
Thinking	Case of Wrongful Termination?, A
Thinking	Factors That Affect Human Judgment
Thinking	How Pre-existing Beliefs Distort Logical Reasoning

Thinking	Intuition and Decision Making
Thinking and Language	Does Language Influence the Way We Think?
